

**INSTALLATION:**

1. Determine placement of bench.
2. Set in place with proper equipment such as a forklift or crane. See Fig. 1.

Included components: No assembly required

Tools required:

- Crane or forklift.
- Straps

NOTE: Items will deliver on pallets in closed freight containers. Appropriate equipment will be required to offload from a closed container.

Flatbed delivery is possible upon request and for an additional charge.

Strapping is indicated as a method of placing the item on the project site.

Naguisa	A R375	B R375	A R550	B R550
