

# Guide Bollard

landscapeforms®

## Product Data Sheet

Guide is an illuminated bollard for pedestrian wayfinding, and a element of the 35 Collection created with design innovator frog. Its striking form consists of three cast aluminum panels of different heights surrounding a large optical element that houses LEDs arranged in vertical arrays. Light is emitted through the vertical slits between panels at 120 degree angles, illuminating the pathway area to the right and left of each bollard to create an overlapping pattern of light along the path. Unlit and removable versions are also available.

## General Description

- Cast aluminum sub-structure with cast aluminium exterior panels
- Available with or without lighting
- Surface mounted
- Removable option available without lighting
- Ships fully assembled
- LEDs must be hardwired when installed

## Lighting Facts®

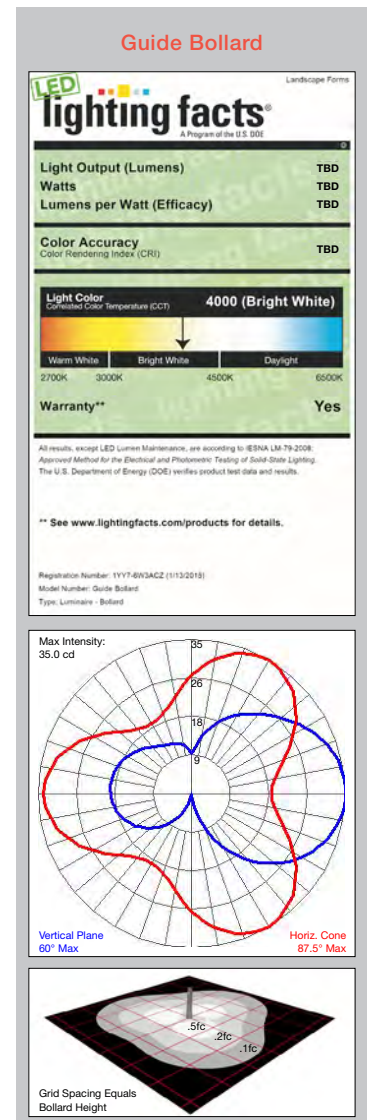

Landscape Forms is committed to the development of energy efficient lighting. We participate in the Department of Energy Lighting Facts® label program. This activity is voluntary but helps consumers evaluate the multitude of products on the market today. The Lighting Facts® label provides a quick but comprehensive summary of luminaire performance as measured by the IESNA LM-79 photometric test standard for solid state lighting.

## Electrical

Surge protected 100V-277V 50/60 Hz, Class 2 LED driver is standard. LED cartridges with weatherproof quick disconnect provides ease of serviceability. Internal wiring connections completed at the factory.

## Guide Bollard

**Lamp:** Nichia Linear LEDs  
**CCT:** 3000K, 3500K, 4000K  
**Drive Current:** 250mA  
**Lens:** Diffused Acrylite®  
**Power Supply:** 100V-277V  
**LED Driver:** 13W  
**IP Rating:** IP67 for LED Cartridges  
**Weight:** 50 lbs

## Product Data Sheet

### Finish

Pangard II® offered exclusively by Landscape Forms, is a 19 step program of cleaning, priming, and powdercoating that resists rusting, chipping, peeling and fading to produce the finest metal finish available for site furniture and outdoor lighting. In addition, Pangard II® contains no heavy metals and is free of Hazardous Air Pollutants.

### To Order

Select corresponding order codes and powdercoat color.

Order Code	Description
AE-SM-200*	Guide Bollard, Surface Mount, with LED Lighting
AE-SM-201	Guide Bollard, Surface Mount, without LED Lighting
AE-RM-201	Guide Bollard, Removable, without LED Lighting

\*Specify color temperature for LED Lighting: 3000K, 3500K, 4000K

### Product Modifications

Don't see what you are looking for? Our goal is to partner with you as the designer to manufacture solutions needed for the space you are creating. We offer the option to modify our standard product to meet certain design specifications or needs. Contact your local Landscape Forms representative to learn more about these offerings.

### Warranty

LED lighting products are warranted for six years.

### Certifications

UL Listed, RoHS Compliant

Designed by frog design
