

Levit

landscapeforms

Product Data Sheet

The illusion of levitation lends this backless bench its name. Levit is a robust but elegant slab that gives the appearance of hovering above the ground plane, especially on pavement where its stainless steel supports seem to disappear into the ground. Basic modules can be combined to achieve indefinite lengths.

Bench

- Levit is a Reinforced Cast Stone backless bench with stainless steel supports.
- The basic bench is 79" or 158" long and can be combined with additional modules to achieve indefinite lengths.
- Levit must be surface mounted, and is intended for use with pavers.
- Levit is polished and waterproofed, and offered in Grey, Black, White and Beige.

Material

- Reinforced Cast Stone is cast stone that is poured and cast over an iron re-bar cage built to fit within the walls of the mold.
- Reinforced Cast Stone makes it possible to cast thinner, irregularly shaped forms while retaining appropriate strength.
- The colors of Escofet cast stone products are neutral, muted and earth-toned and are derived from the aggregates used in casting.
- No color is added in manufacture and no color is applied to finished products.
- The color range of every Escofet cast stone product is pre-determined by the formulation used in its manufacture.
- Cast stone products do not require any specific maintenance during their estimated lifespan of more than 30 years.
- Water absorption and freeze-thaw cycles can cause weathering, a reproduction of the process that takes place in natural rock.
- Escofet applies a waterproof finish to its products to protect against this process.
- Escofet cast stone products are large and heavy.
- Shipping, receiving, staging and installing these pieces is more akin to handling large statuary or pre-fabricated architectural elements.
- See installation guide for important information.

	Style	Depth	Length	Height	Weight
	79"	28"	79"	17"	1,102 lb
	158"	28"	158"	17"	2,205 lb

Product Data Sheet

Product Warranty

- ESCOFET warrants the durability of its product to Landscape Forms for a period of five (5) years from the date of invoice.
- The warranty covers the repair or replacement of the product or components at no charge.
- Notwithstanding, this warranty does not cover damages to ESCOFET products resulting from unloading; handling; installation; abuse; exposure to paint, liquids or corrosives; or any other damage not attributable to ESCOFET.
- The warranty shall also be void if ESCOFET products are tampered with, handled, removed or modified by persons not authorized by ESCOFET; or if the product has not been properly maintained by the customer.

To Specify

- To order, specify Levit, bench length, number of benches and standard color.
- Levitt must be surface mounted.
- See materials/color sheet for standard color options.
