

# Northport Bench

landscapeforms®

## Product Data Sheet

Northport Collection benches reimagine traditional park benches in refined, gracefully curving aluminum and warm, naturally-weathering wood. The benches are available in backless, backed, or back-to-back configurations. Backless and backed versions feature softly rounded aluminum arms and all benches sit atop curvilinear aluminum sled legs. They can be specified with freestanding, surface, and embedded mounting options. Skateboard deterrents can also be specified for Northport benches.

### Bench

- Northport benches are a versatile offering of outdoor benches.
- Bench styles available include backless, backed, and back-to-back.
- Arms come standard on the backed and backless benches.
- Benches can be mounted either freestanding, surface mount, or embedded.
- Available in ipe, jarrah, and domestically sourced thermally modified ash (DSTMA) for exterior use.
- Available in jarrah, domestically sourced thermally modified ash (DSTMA), oak, and maple with LF-80 for interior use.
- Northport benches ship fully assembled.

### Finishes

- Interior woods are finished with Landscape Forms' exclusive LF-80 wood finish, a clear, catalyzed acrylic lacquer.
- Exterior woods are unfinished and will weather to a soft pewter gray, requiring no future maintenance.
- All metal is finished with Landscape Forms' proprietary Pangard II® polyester powdercoat, a hard yet flexible finish that resists rusting, chipping, peeling and fading.
- A wide range of standard, optional and custom colors are available.

### To Specify

Specify Northport bench and select bench style (backless, backed, or back-to-back). Choose powdercoat color and wood type. Northport benches ship fully assembled.
