

Product Data Sheet

Solstice performs variations on the shape of shade. Cygnus hovers, gesturing gracefully. Altair quietly shields with a traditional form. All styles are highly durable, wind and weather resistant, and maintenance free. They are as elegant on the inside as they are out; as whimsical and colorful as the setting calls them to be.

Solstice™

- Solstice shade panels are solid or perforated aluminum, mounted in an extruded aluminum frame.
- Struts are extruded aluminum.
